»*We use the available balance method to determine whether there are sufficient funds in your account to pay for a debit transaction. If the available balance in your account is not sufficient to pay a debit transaction, we may, at our discretion and in accordance with applicable law and your elections, (1) return the debit transaction without paying it or (2) pay the debit transaction. If we pay the debit transaction, you will be responsible to pay the overdrawn balance and we may charge you an overdraft fee. Please refer to our Truth In Savings disclosure (or, if you are a business customer, your Deposit Account Agreement) for complete information about the order in which transactions are processed in your account, and please refer to our Overdraft Courtesy Disclosure and Deposit Account Agreement for a complete description of overdraft fees and how we calculate available balance.

»**Smart Spend Checking Account:** If your Tompkins account is a Smart Spend Checking Account, as shown on your monthly statement, all fees noted above apply with the following exceptions:
